

Praxis II Content Area Examinations

Content area examinations are required for the Initial 2-3 Year, Professional, and Master teaching certificates. Additionally, endorsements can be added to two, five, and 10-year certificates based on a content area test and two years' teaching experience in the associated content area. This option is not available for Reading, Special Education, or Developmental Areas.

Elementary Education

Content Knowledge (5018/00018)

Highest Scores

Testing Year	# Exams Taken	# Individuals	# Passing	Pass Rate
