A student can be in multiple categories.

NWCCU Retention, Persistence & Completion Academy

Project Title: Retention through Intervention

Project Focus: Spring 2020 Gateway courses

Project included:

- Faculty: Early progress reports through EAB
- Faculty: Submit mid-term grades
- Staff advisors: Outreach to students
- Project Committee: Evaluation of project success

NWCCU Project Results

Participants: 39 faculty, 48 courses

Progress Reports: 45 courses entered progress reports

- 29 courses had at least 1 student at risk for failing
- 15 courses had at least 25% of students at risk for failing

Mid-Term Grades: 34 courses entered mid-term grades

- On average, 10% of students in each course had a D or F

NWCCU Project Results

Final Grades: 77% of students in the project courses passed the course

| Project Courses | Pass | Fail | Withdrew | Other |
|------------------------------------|------------|-----------|------------|-----------|
| Spring 2020 Project Courses | 77% | 9% | 11% | 2% |
| Same Faculty - Previous 3 Years | 73% | 15% | 11% | 2% |
| All Courses - Previous 3 Years | 69% | 17% | 13% | 1% |

NWCCU Project Results

Final Grades: 77% of students in the project courses passed the course

| Project Courses | Pass | Fail | Withdrew | Other |
|------------------------------------|-------------|-------------|-----------------|--------------|
| Spring 2020 Project Courses | 77% | 9% | 11% | 2% |
| Same Faculty - Previous 3 Years | 73% | 15% | 11% | 2% |
| All Courses - Previous 3 Years | 69% | 17% | 13% | 1% |

All Courses: 81% of students in Spring 2021 passed their courses

| All Courses | Pass | Fail | Withdrew | Other |
|-------------------------|-------------|-------------|-----------------|--------------|
| Spring 2020 | 81% | 5% | 8% | 6% |
| Previous 3 Spring Terms | 82% | 8% | 7% | 3% |

NWCCU Project Results

Faculty Survey: 18 faculty responded

- On a scale of 1-5, with 5 being excellent, all faculty ranked the project as a 3 or higher
 - 67% selected 4 or 5
- 94% said they would participate in the project again
- All faculty said they would utilize progress reports in the future
- Almost 80% said they would continue to provide mid-term grades

Retention through Intervention: Round 2

Project Title: Retention through Intervention Spring 2021

Project Focus: Spring 2021 Gateway courses

Project included:

- Faculty: Early progress reports through EAB
- Faculty: Submit mid-term grades
- Staff advisors: Outreach to students
- Project Committee: Evaluation of project success

Have a great Spring Semester!
