

Juneau Campus Safety Committee Meeting
August 23, 2019
Minutes

Members present: Anita Parish, Chase Parkey, Amanda Arra, Dan Garcia. Adam Zenger, Jon Lasinski

Members absent: Lindy Carroll, Nathan Bodensadt

Recent Incident Reports

No injury incidents were reported since the last meeting.

Trespass Update

No new trespasses issued.

Anderson and NSRL Safety

There have been several instances of gasoline theft and other items stolen from vehicles and boats stored on UAS property. Recommendations for prevention include not leaving items of value in vehicles and vessels, park in areas with better lighting and less hidden. Police reports should be promptly filed.

Stolen boating and fishing not related to UAS thefts were recovered by our Grounds crew from the bushes next to the Pump House. The found items were turned over to JPD who reunited them with their owner.

Safety Committee Membership

The UAS Student Government was invited to participate in the monthly UAS Juneau Campus Safety Committee meeting. They were sent e-mails and phone calls to inform them of the meeting purpose, location and time.

Loss Prevention Fund

Still no work on the status of the Loss Prevention fund. Stay tuned.
