UAS GUEST

ENJOY YOUR STAY

Thank you for choosing the University of Alaska Southeast as your home away from home in Juneau. The staff in Guest Services will do our best to make your stay enjoyable and stress-free as possible. We are excited for you to experience the almost endless activities, adventure, and culture Juneau has to offer.

Our campuses reside on the unceded territories of the Áak'w Kwáan, Taant'á Kwáan, and Sheet'ká Kwáan on Lingít Aaní, also known as Juneau, Ketchikan, and Sitka Alaska, adjacent to the ancestral home of the Xaadass and Ts'msyen peoples. While you are here, we hope you have a chance to quiet your mind, listen, and learn. We acknowledge that we arrived here by listening to the peoples/elders/lessons from the past and these stories carry us as we weave a healthier world for future generations.

This Welcome Guide provides you with all the information you might need to help you during your stay. If you have questions that are not answered within this document, feel free to contact us for additional service. Guest Services provides a team of individuals that are available to assist you with a range of needs throughout your stay - whether it be a lockout in the middle of the night or help finding your way to the nearest store, we've got you covered!

Again, thank you for choosing the University of Alaska Southeast. We are so excited to have you here on campus. Best of luck with what brought you through our doors!

Go Whales!!!

ARRIVAL DURING BUSINESS HOURS (8 AM - 10 PM)

Check-In begins after 3 PM on day of arrival unless an earlier time is specifically requested and approved.

Keys & Access Cards can be picked up at our main desk location within the Housing Lodge - 4300 University Drive, Juneau AK, 99801.

ARRIVAL AFTER BUSINESS HOURS (10 PM - 8 AM)

For your convenience, we have key boxes located at John Pugh Hall and the Housing Lodge (for Banfield and Apartment stays) for after hour check-ins. If you are arriving after 10 PM, you will receive email instructions on how to access your keys. Payment must be made in advance for any after hour check-ins.

PAYMENT

We are a CASHLESS operation. Full payment is expected within 30 days of services being rendered. We will gladly accept most credit and debit card issuers and networks. Checks are also an acceptable form of payment. To pay your bill via phone, contact us at (907) 796 - 6443. For students enrolled in courses, your bill is applied to your student account and may be paid via UAOnline.

CHECKOUT

Check-Out should be completed by 10 AM on day of departure. Prior to your departure, please make sure to follow all cleaning expectations listed out on Page 14 of this guide, to avoid additional charges. Upon departure, remove all trash and personal belongings, ensure all doors are locked, and return keys to a desk location or after-hours drop box. Key drop boxes are present for your convenience and can be pointed out to you by our desk attendants.

GUEST AMENITIES

WIFI

All guests will have access to complimentary Wi-Fi across the UAS Campus. Simply connect to the UAS GUEST Network for instant access. There is no password required!

LAUNDRY

Guests staying in John Pugh Hall, Banfield Hall, or the Apartment Complex will have access to free laundry services.

The John Pugh Hall laundry room is located on the second floor of the building.

Both Banfield Hall and the Apartment Complex share a laundry room located underneath the Housing Lodge. You will need your swipe card to access this facility.

MAIL SERVICES

If you are sending packages ahead of your arrival, please call to let us know to expect them. All mail is kept at the Lodge Desk and will be available upon request during regular business hours. Please use the following address:

[Your First & Last Name]
UAS Housing Guest
4300 University Drive, Juneau, AK 99801

TRASH

Trash created as part of your stay should be removed from your unit regularly.

John Pugh Hall's Trash Room is located across from the desk location on the first floor.

The Main Housing Complex has two exterior trash sheds around the perimeter of the parking lot. Trash must never be left outside of your unit due to the presence of bears and other wildlife.

KITCHEN & CLEANING SUPPLIES

Kitchen supplies (i.e. cookware and utensils) are ONLY provided for common space kitchens (not the apartments). Vacuums, brooms, plungers, cleaning supplies, and toilet paper are provided at desk locations free of charge.

LINENS

Short term guests will be provided a linen pack with sheets, towels, bathmat, and washcloths, as well as a blanket and pillow for each rented bed space.

Additional items may be requested by all of our guests for an additional fee. Stop by the Lodge Desk location to rent / purchase items such as pillows, blankets, towels, toiletries, etc.

HOUSING FACILITIES

JOHN PUGH HALL (JPH)

JPH is exclusively available to Youth Groups in the Summer months (May 15 - August 1). This facility is located directly on-campus with amazing views of Auke Lake, Mendenhall Glacier, and the surrounding landscape. With 120 bed spaces across five floors of two-bedroom, suite-style units, and access to lounge spaces, seminar classrooms, a fully equipped community kitchen, and interior laundry and garbage access, JPH is the perfect home base for your next conference, sporting event, or community based event.

NOYES PAVILION

The Noyes Pavilion is a popular location for lectures, drum circles, and all measures of outdoor events. With features such as a sound system, lighting, heating lamps, grilling stations, and fire pits, you can be sure to have a successful event in any conditions Juneau provides. This space can be rented out for an additional cost or can be shared with a first come, first served system when there are no rentals in place.

LOCKOUTS

If you are locked out of your space in John Pugh Hall, please call (907) 209-6539 for assistance. ID will be required to get into any locked locations.

LAUNDRY

Laundry services are free for all guests. John Pugh Hall guests can access these machines any time on the second floor of the building. Laundry supplies are not provided, but can be purchased at desk locations.

PARKING

Parking is free for all guests, but all vehicles parking overnight do require a parking permit. Permits can be acquired by visiting our desk locations during business hours.

Wi-Fi

Connecting to Wifi is easy here at UAS. Simply connect to the UAS Guest Network. There is no password or sign-in required!

APARTMENTS

The Apartments are only available during the Summer months (May 15 - August 1). Located in our Main Housing Complex, the apartments offer a variety of options to fit your specific needs.

GUEST APARTMENT

The Guest Apartment is a private two-bedroom apartment up-fitted with higher quality furnishings and a kitchen stocked with basic cooking implements, flatware, and place settings. This Guest Apartment is available year-round and a great option for visiting faculty, guest lecturers, prospective students and families, and others. This unit is reserved solely for short term stays (under two weeks).

TWO BEDROOM

Guests share a two-person bedroom within a two-bedroom apartment. A total of four guests reside in each apartment, sharing a bathroom and common areas that include: a full kitchen with oven/stove range, full-size refrigerator, microwave, and abundant cabinetry storage space; furnished living with couch, love seat, chair, and coffee/end tables; furnished dining room with kitchen table and chairs; and a large storage room. Please note that we do not supply any dishes, flatware, or cooking implements within this style of unit.

BANFIELD HALL

Banfield Hall is available for large group rentals year round. Located in our Main Housing Complex, you will be a short walk or drive away from Main Campus, numerous trails, Auke Lake, and Auke Bay. With 80 bed spaces across three floors of two-bedroom, suite-style units and access to lounge spaces and a community kitchen, Banfield Hall is an affordable and convenient alternative to other housing solutions within the Juneau Area. Access to free laundry and mail services are located directly across the parking lot in the Housing Lodge.

FOUR BEDROOM

These are apartments with four private bedrooms. Guests occupy one private bedroom within the overall unit. A total of four guests reside in each apartment, sharing a bathroom and common areas that include: a full kitchen with oven/stove range, full-size refrigerator, microwave, and abundant cabinetry storage space; furnished living with couch, love seat, chair, and coffee/end tables; furnished dining room with kitchen table and chairs; and a large storage room. Please note that we do not supply any dishes, flatware, or cooking implements within this style of unit.

LOCKOUTS

If you are locked out of your space in the Main Housing Complex, please call (907) 209-6539 for assistance. ID will be required to get into any locked locations.

LAUNDRY

Laundry services are free for all guests. Machines are located in the Housing Lodge and can be accessed between 8 AM and 10 PM with a swipe of your key card. Laundry supplies are not provided, but can be purchased at desk locations.

PARKING

Parking is free for all guests, but all vehicles parking overnight do require a parking permit. Permits can be acquired by visiting our desk locations during business hours.

Wi-Fi

Connecting to Wifi is easy here at UAS. Simply connect to the UAS Guest Network. There is no password or sign-in required!

BUILDING GUIDELINES

ANIMALS

Animals are not permitted within Guest Housing Units. Guests found with pets inside their units will be subject to a \$300 fine in addition to any cleaning charges, which may be assigned equally to each guest within the unit if no one accepts responsibility for the animal's presence.

SMOKING

UAS is a smoke free campus. Smoking, vaping, etc. is prohibited on UAS Housing property and within every Housing building. Guests found to have been smoking in their unit will be charged a \$250 fine in addition to any cleaning charges.

DRUGS

The possession, use, or sale of marijuana or any illegal substance on the UAS campus is prohibited.

ALCOHOL

Alcoholic beverages may be possessed and/or consumed by guests who are of legal status to possess or consume such beverages in the privacy of their own unit. Alcohol is not to be consumed in common spaces, outdoors on Housing property, or in the presence of minors.

KEYS

Each guest is assigned a unit key and swipe card key upon arrival and are expected to be responsible for any keys issued to them. Residents should report lost or misplaced keys as soon as possible. The replacement cost of a room key is \$150 and a swipe card is \$20.

VISITATION POLICIES

Guests are welcome to have visitors between the hours of 8 AM and 10 PM. All visitors must be accompanied by their host while they are present in the Housing community. Guests hosting these visitors are personally responsible for their actions.

QUIET HOURS

Quiet hours are observed community-wide from 10 PM until 8 AM each day. Staff patrol the exteriors to enforce Quiet Hours outside on Housing grounds and within public areas of the Housing Lodge and Residence Halls. During this time, loud noise from inside a unit should not be audible outside of the unit.

FURNITURE

All furniture in your assigned unit at check-in must stay within your assigned unit during the entirety of your stay.

SPRINKLER & FIRE SENSORS

Tampering with the sensors, including removing the sensor or covering the sensor, may set off trouble alarms, which will notify Housing staff of the location of the compromised sensor.

Residents should not tamper with sprinkler heads or hang items from these fixtures. If the sprinkler system is engaged, it would likely cause a minimum of \$10,000 in damages with its initial burst before it could be stopped. Damage to these systems caused by a guest, both intentional and/or through negligence, may result in costs being assessed to responsible guest or group.

COMMUNAL AREAS

Our Residence Hall kitchens and common spaces are available for shared use with all of our guests. Please be sure to clean up after yourself immediately as these areas can be shared with 80 to 120 other people. While there is custodial staff to help maintain common spaces, staff will not clean up personal messes in these areas.

If personal items are left in common spaces unattended, staff has the right to remove and throw away those items as necessary.

REFUNDS & CANCELLATIONS

All refund and cancellation requests must be received in writing - email is acceptable. A cancellation fee equal to one night's stay will apply to reservations canceled less than 14 days prior to arrival. Once checked in, guests will not receive a refund greater than 50% of prepaid, unused nights stay.

DAMAGES

Restitution for damages to one's room or furnishings will be added directly to your individual or group bill. This might include damages to walls, broken desk or dresser drawers, torn or stained mattresses or draperies, burn marks, broken windows or mirrors, carpet stains, smoke and other odors, etc.

For damages to common areas within the living unit, such as to apartment living rooms, kitchens, halls, and bathrooms, as well to suite entryways and bathrooms, all guests will be questioned and the guest responsible for the damages will be charged. If the staff is unable to determine responsibility, the replacement or repair costs will be split between all guests of the suite or apartment and assessed accordingly. Guests are encouraged to report such damages to Student Housing staff when they occur.

Any guest found to be responsible for damages to or defacement of common areas such as lobbies, porches, the exterior of buildings, or any structures or grounds on university property will be charged costs accordingly.

All guests of a unit are responsible for the condition of common area furnishings, including carpet, vinyl flooring, walls, cabinets, and doors. Failure to report repairs or damage that results in a problem or issue continuing and causing further damage (ex: water leaks) may result in the assigned guest(s) being charged for repair costs that result from neglect.

FULL LIST OF GUEST HOUSING POLICIES

Scan the QR Code to the left to view a full list of Guest Housing Policies on our website. Please note, you or your group are responsible for all of these policies. Failure to comply may result in the termination of your contract without refund.

SAFETY & SECURITY

Safety and Security Emergencies

Dangers such as physical/sexual assault and domestic violence, threat with a deadly weapon, burglary, fire, and other imminent risks should be reported to the police by dialing 9-1-1 (dial 8+911 on campus phones) before being referred to the RA on duty. Other emergency situations of lesser threats should still be relayed to the Resident Advisor On-Duty (RAOD) such as unruly behavior, trespassers, dangerous conditions in the facilities or on the grounds of housing, etc.

[RA ON-DUTY # (907) 209-6539]

Emergency Medical Care

Though it is natural to attempt to help neighbors and friends when they are in need of professional care, guests are urged to avoid the inclination to move or transport injured, sick, or unstable individuals. Driving someone to the hospital, for instance, may be dangerous as conditions may worsen on the way to the hospital or their behavior might create unsafe driving conditions for others in the vehicle. Police, EMTs, First Responders, Firefighters, and other professional emergency response teams are better equipped to transport individuals in need of treatment. If a guest is unsure of whether he/she or a friend may need medical care, the Resident Advisor On-Duty (RAOD) should be contacted and the Administrator-On-Duty (AOD) will be summoned. The AOD is trained to evaluate the general condition of the affected individual and to decide whether professional care should be requested. Residents are expected to keep their distance from professional emergency response teams that come to campus to allow them to respond to a medical emergency. Residents are also asked to respect the privacy of an individual receiving emergency medical care. If you were a witness to a medical emergency and need to share information regarding that emergency, remain on site but distanced until you can meet with a member of the Residence Life professional staff.

If there is a medical emergency happening, call 911 then the RA On-Duty at(907)-209-6539.

Alcohol Emergencies

Heavily intoxicated individuals have a high risk of experiencing at least some symptoms of alcohol poisoning. Guests who are aware of another individual who has been consuming alcohol and is completely unresponsive should not simply assume that he/she has “passed out.” If attempts to rouse the person are unsuccessful, he/she may be in dire need of medical attention. Breathing may slow to dangerously low rates or individuals may choke on their own vomit if left unattended. Alcohol poisoning is just what it sounds like: the body is literally poisoned by excessive amounts of a toxic substance until the point where organs may begin to shut down or brain damage occurs. Other symptoms of alcohol poisoning is vomiting uncontrollably or vomiting blood, dilated pupils or uneven/unresponsive pupils, or seizures. These symptoms indicate an immediate need for medical care or assessment. Because individuals’ physiology and genetic predispositions vary greatly, one amount of alcohol may be just enough to give one person a “buzz,” while it is enough to put another into grave medical risk.

If you believe someone is experiencing Alcohol Poisoning, contact 911 immediately. After contacting 911, contact the RA On Duty at (907) 209-6539.

In Case of an Alarm

It is very important that you evacuate as soon as possible after hearing an alarm sound. According to research, within 3 minutes, the heat and smoke from a fire can cause enough damage to your lungs to cause permanent damage or death. Most people who die in fires die from the smoke and heat, not the flames of a fire.

Guests are expected to depart the building quickly and to stand outside no less than 100 yards from the building just evacuated. Guests should treat all alarms as a real safety threat and evacuate the building. Only a University official or Juneau Fire Department may issue the all clear command, allowing re-entry to the building.

As you exit, when possible:

1. Turn off all appliances, including the stove/oven if cooking.
2. Put on shoes, a coat, and any other outdoor appropriate clothing as needed.
3. Be sure to grab your keys and identification.
4. Feel doors as you exit. If they feel hot to the touch, proceed with caution.
5. Exit to the nearest stairwell or door. Use of Emergency Exits is encouraged.
6. If you cannot exit due to fire or medical emergency, dial 911 immediately.

Fire Extinguishers

A fire extinguisher is located inside each unit. Familiarize yourself with its location as well as the locations of extinguishers throughout the building. Should you need to utilize your extinguisher, please call (907) 209-6539 to report the incident and submit a work order for a replacement of your extinguisher. When using a fire extinguisher for emergencies, remember the following:

- P - Pull the pin.
- A - Aim the extinguisher nozzle at the base of the flames.
- S - Squeeze the trigger while holding the extinguisher upright.
- S - Sweep the extinguisher from side to side, covering the fire with the extinguishing agent.

SAFETY TIPS

STEPS WE TAKE

For those living on campus, University Housing takes steps to ensure that certain needs are met, among them the need for safety and security. These steps include keeping exteriors of residential buildings locked 24 hours a day, maintaining camera coverage of our facilities, and making sure we have both a Resident Advisor On-Duty (RAOD) and Administrator On-Duty (AOD) at all times.

STEPS YOU TAKE

Even though UAS takes precautionary measures, we need your help to keep our community safe for everyone. Developing some simple habits from the moment you arrive on campus can help to head off larger problems in the future.

1. Please remember that we are located in a rain forest. The trails that surround campus are inhabited by a wide range of wildlife including black bears, porcupine, and eagles. While it may be tempting to engage with wildlife for photos, please do your best to avoid contact.
2. You are permitted to carry and store both mace and bear spray while residing on campus. We encourage you to familiarize yourself with these devices prior to use.
3. Lock your doors and carry your keys whenever you are away from your room.
4. Do not prop exterior doors or allow them to be propped open. Locked doors are not effective when are propped open for anyone to use.
5. Do not leave items such as wallets, cash, credit cards, etc in common spaces.
6. Report theft or safety concerns to the Resident Advisor On-Duty (RAOD) or a front desk location immediately. The sooner a report is made, the sooner we can take action.
7. Do not leave clothing, dishes, valuables unattended in common spaces. Guests will be sharing common spaces with 80 - 120 people at a time. Leaving items unattended increases the risk of them being mistakenly picked up or misplaced.

Taking these steps will significantly reduce the chances of you being victimized. While this is true, it is important to remember that these measures will only work if you take the initiative to put them into daily and consistent practice.

MAINTENANCE

NON-EMERGENCY

Issues that you may have with your unit can be addressed by filling out an online form or stopping by a desk location. Once submitted, our maintenance team will follow up within 1-3 business days.

Non-Emergency requests include:

- Broken appliances
- Contained leaks (a dripping faucet)
- Wall Damage
- Light bulb replacement
- Low smoke detector
- Etc.

SUBMIT A WORK ORDER

Be ready with your name, room number, building, and a description of the issue.

EMERGENCY - CALL (907) 209-6539

Issues that affect your safety and immediate well-being are categorized as emergency issues. These issues should not be ignored and require an immediate call to the Resident Advisor On-Duty (RAOD).

Emergency requests include:

- Flooding
- No Water, lights, or power
- Broken Locks
- Heat above 85 or below 55 degrees
- Broken Refrigerator or Freezer
- Etc.

EMERGENCY WATER SHUT OFF

If you are experiencing water leaks in your kitchen or bathroom we ask that you do your best to help shut of the flow of water ASAP.

Kitchen and bathroom sinks have a shut-off valve for both hot and cold water located within the cabinetry underneath. Turn the valves clockwise (to the right) to stop the flow of water.

Toilets have a shut-off valve located near the floor on the wall behind or beside the toilet. Turn the valves clockwise (to the right) to stop the flow of water.

REGULAR CLEANING

Utilizing the table below will help you avoid health or safety concerns that could result in cleaning or damage fees, pest infestations, etc.

ITEM	FREQUENCY
Sweep, mop, vacuum floors	Weekly
Tidy bathroom spaces	Weekly
Remove ALL garbage from unit	Weekly
Clean out refrigerator of expired items	Monthly
Run self cleaning function on oven	Monthly
Remove and clean stove drip-pans	Weekly
Wipe out microwave	Weekly

CLEANING PRIOR TO CHECK OUT

Utilizing the table below will help you avoid health or safety concerns that could result in cleaning or damage fees, pest infestations, etc.

GENERAL

Remove all tape and stickers from doors, walls, and ceilings
Clean door handles and light switches
Vacuum and mop, including behind and under all furniture
Remove any dirt marks from walls
Clean wastebaskets and empty all garbage
Remove dirt or smudges from floor boards
Clean all windows, window sills, and blinds

BEDROOM

Wipe down and clean, interior and exterior of drawers and surfaces
Arrange furniture in original configuration
Wipe down mattress with damp rag and cleaner
Clean bed frame, including under mattress

BATHROOM

Wipe down and clean, interior and exterior of drawers and surfaces
Clean faucets, sinks, and mirror
Clean toilet thoroughly including the pedestal, lid, seat, etc.
Scrub shower walls, floors, curtain or doors

LIVING / DINING ROOM

Wipe down tables and chairs
Arrange furniture to standard layout
Vacuum and clean couch, including below cushions

KITCHEN /KITCHENETTE

Clean all appliances, including refrigerators, microwaves, stovetop, oven, etc.
Wipe and clean out all cupboards, shelves, counters, and drawers
Remove all food

DINING OPTIONS

LAKESIDE GRILL & MARKET

While taking in the wonderful views of Auke Lake, feast on a full assortment of home-made foods to include soups, custom sandwiches, salads, and items off the grill or hotline. We proudly offer an on-campus marketplace experience, including pick up grab-and-go food items, essentials for your own food preparation, and locally sourced products, produce, and ingredients.

The Lakeside Grill & Market is located on the second floor of the Mourant Building.

HOURS

September 1 - April 30

Monday - Friday: 8 AM - 7:30 PM
Saturday & Sunday: 8 AM - 7:30 PM

May 1 - August 31

Monday - Friday: 11 AM - 2:00 PM

*** Hours subject to change

SPIKES CAFE

This favorite campus hangout of students, staff, and faculty offers a wide array of mixed and blended caffeinated and non-caffeinated beverages, snacks, baked goods, and bottled drinks. Tables overlooking Auke Lake and the campus forest make Spike's a great place to study or socialize.

Spike's Cafe is located on the second floor of the Egan Classroom Building just outside the lobby of the library.

HOURS

September 1 - April 30

Monday - Friday: 8 AM - 4:00 PM

May 1 - August 31

CLOSED

*** Hours subject to change

PARKING & TRAILS

PARKING

All vehicles parking on campus after 10 PM require a parking permit. You can obtain your **FREE** parking permit by visiting the Lodge Desk located at 4300 University Drive. Your permit must be placed on your rear view mirror when parked in the lot. Allowable vehicles for parking at Student Housing include non-commercial automobiles and motorcycles. Trailers, Boats, RV's, ATV's, Snow machines, or other similar vehicles are not permitted

PARKING VIOLATIONS	FEE
Unregistered vehicles without permit	\$25
Parked in handicap, service fire zones and areas	\$100
Parked in restricted, reserved, or non-designated space	\$50
Vehicle occupying more than one space	\$25
Failure to Move Vehicle for Posted Snow Plowing	\$30
Prolonged inoperable condition of vehicle	\$25/day

CAMPUS TRAILS

There are two trails connecting the UAS Main Campus to our Upper Housing Facilities and Recreation Center. The Housing Switchback Trail begins between Egan Library, takes you across the main road, and ends in Upper Housing by Glacier Building. The Recreation Center Trail begins between Coho Building and our Pavilion area and takes you directly to the Recreation Center. Take a look at our campus map on pages 18 and 19 for more information on trail and building locations!

GYM & RECREATION

The UAS Recreation Center is your source for recreation on the Juneau campus. The REC offers a weight room, rock climbing wall, studio, and a suspended running track with an assortment of cardio equipment that overlooks a full court gym. Recreation happens both at the REC and outside in our beautiful Alaska environment. Rent outdoor equipment at the REC, from lake kayaks and paddle boards to x-country skis and snowshoes in the winter. Try a change in venue and hang out in our lounge before or after exercise!

GYM MEMBERSHIP

Day Pass	\$10
Monthly Pass	\$50

CLIMBING WALL

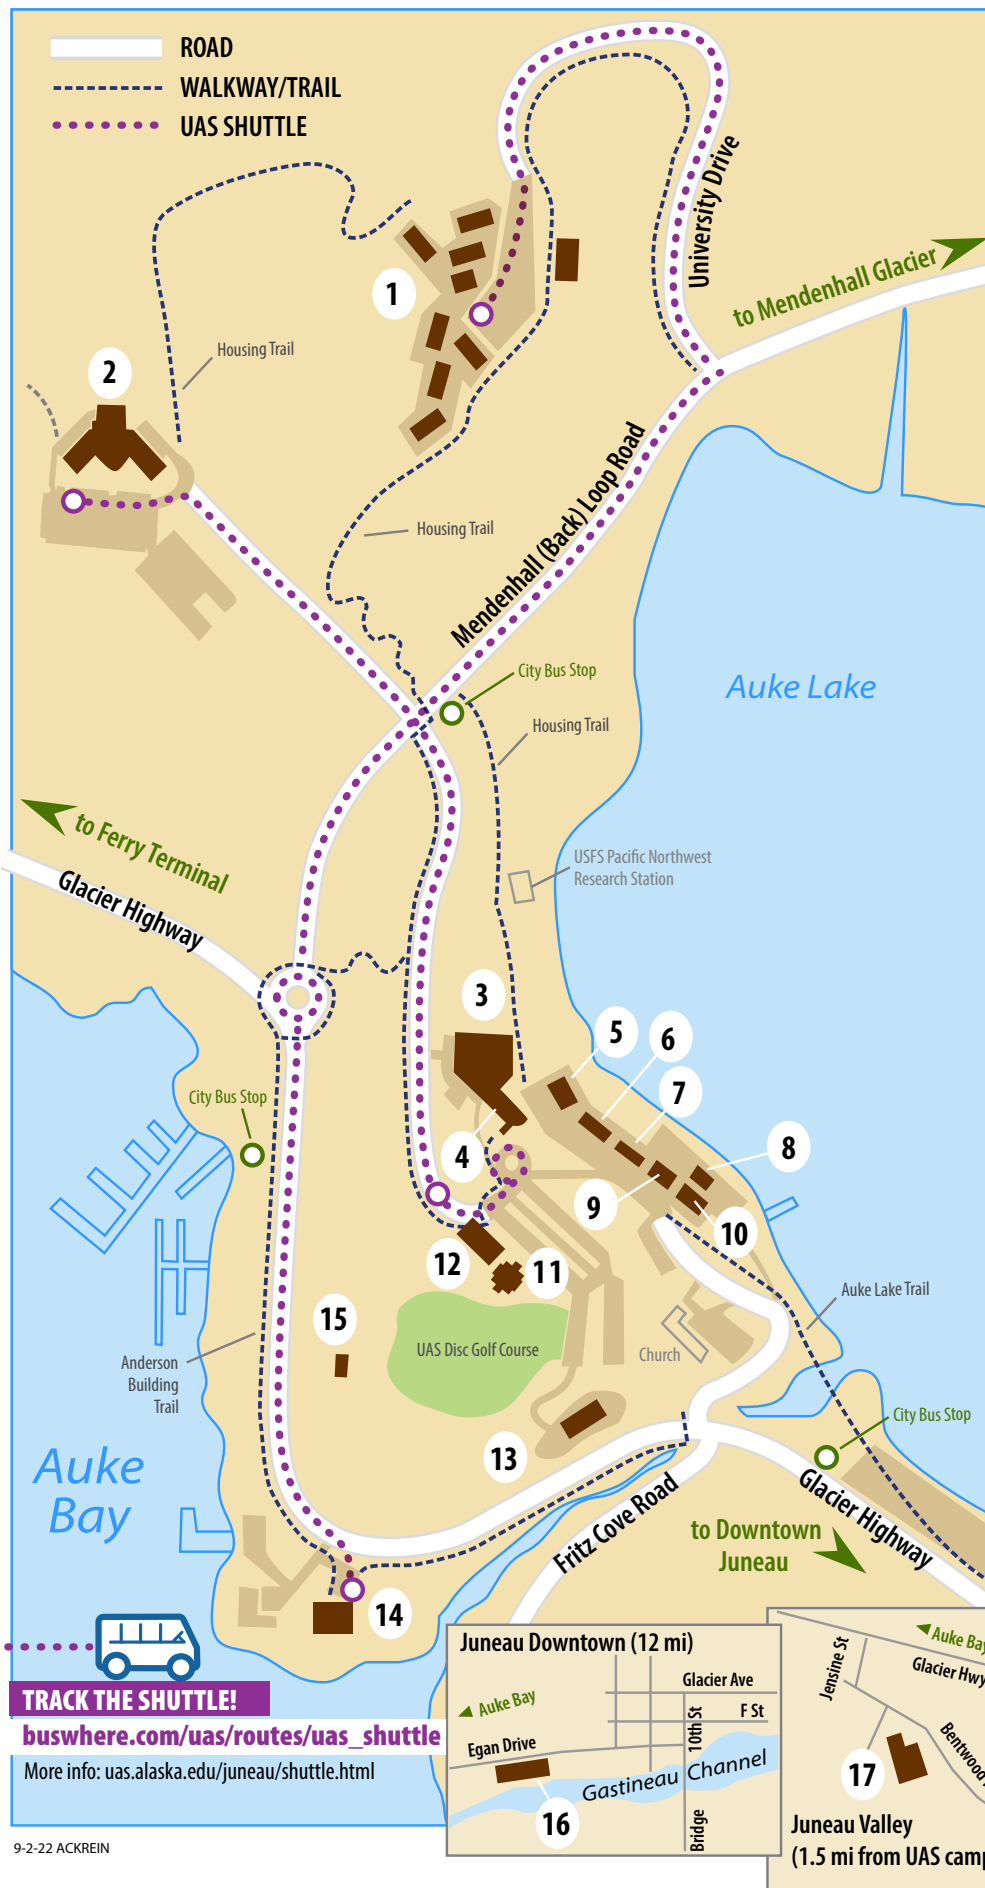

The UAS Climbing wall offers both bouldering and climbing on belay over textured panels. The ceiling height is 30' at its peak and offers challenging routes for any skill level. All necessary climbing equipment to include shoes, harness, and Grigri belay are provided.

All members using the REC Center climbing wall must first complete a climbing orientation. Ask at the REC service desk for more information on orientation dates and times.

DISC GOLF

The Eureka Disc Golf Course is located right on the UAS Campus! The start of the course is located at the far left side of the upper parking lot when facing Noyes Pavilion. The start of the course is marked by a course sign with rules, sign-in, and a bear-proof trash can. This 9 basket course is open all year long and is available to both the UAS and Juneau community.

REC Center members can check-out shoulder bags with discs and course maps with tally sheets. Visit the REC service desk for more information and rental equipment.
