

**Bachelor of Arts in Social Science
Student Assessment Portfolio – Final Review**

Student: _____

Bachelor of Arts in Social Science Student Program Outcomes

Upon completion of the BASS degree program, students will be able to:

- 1: Define academic and personal goals through application of knowledge of the social sciences.
- 2: Demonstrate interdisciplinary competency in three social science fields.
- 3: Conduct independent or collaborative research in the social sciences.
- 4: Apply academic social science knowledge to community engagement.
- 5: Situate social science knowledge within the cultures or environment of Southeast Alaska.

Measurement Rubric for Portfolio Evaluation

The items in each portfolio folder are evaluated on a five-point scale:

- 0 = Nothing (no or incorrect materials)
- 1 = Minimal Evidence (inadequate)
- 2 = Some Evidence (underdeveloped)
- 3 = Meets Expectations (satisfactory)
- 4 = Exceeds Expectations (above average)
- 5 = Superior (high-level presentation, analysis or synthesis)

Program Outcome 1: BASS Professional Portfolio

BASS Outcomes Essay	0	1	2	3	4	5
Language Competency & Diversity Statement	0	1	2	3	4	5
Professional Portfolio Overall	0	1	2	3	4	5

Program Outcome 2: BASS Academic Writing

Primary:	ANTH	ECON	HIST	POL	PSY	SOC	0	1	2	3	4	5
